

## Splendid Kidney Remedy Praised By Druggists

We have been selling Dr. Kilmer's Swamp-Root for thirty years and those who have used it speak in the highest terms of the benefit derived from its use, especially in kidney troubles. We believe Swamp-Root is a good reliable family remedy for the diseases for which it is recommended. It has a steady demand, we receive no complaints and many speak very favorably regarding it. Swamp-Root enjoys a splendid reputation and is very popular as a kidney, liver and bladder remedy.

Very truly yours,

## YOU'LL GET RID OF BLACKHEADS SURE

THERE is one simple, safe and sure way that never fails to get rid of blackheads and that is to dissolve them.  
To do this get about two ounces of plain powdered nixol from any drug store—sprinkle a little on a hot, wet sponge—rub over the blackheads briskly—wash the parts and you will be surprised how the blackheads have disappeared. Big blackheads, little blackheads, no matter where they are, simply dissolve and disappear, leaving the parts without any mark whatever. Blackheads are simply a mixture of dust and dirt and secretions from the body that form in the pores of the skin. Pinching and squeezing only cause irritation, make dirt, pores, and do not get the blackheads out after they become hard. The powdered nixol and the water simply dissolve the blackheads so they wash right out, leaving the pores free and clean and in their natural condition. Anyone troubled with these unsightly blemishes should certainly try this simple method.—Adv.

## To-End Catarrhal Deafness and Head Noises

Persons suffering from catarrhal deafness and head noises will be glad to know that this distressing affliction can usually be successfully treated at home by an internal medicine that in many instances has effected complete relief after other treatments have failed. Sufferers who could scarcely hear a watch tick tell how they have had their hearing restored to such an extent that the tick of a watch was plainly audible seven or eight inches away from either ear. Therefore, if you know of someone who is troubled with head noises or catarrhal deafness, cut out this formula and hand it to them and you will have been the means of saving some poor sufferer from perhaps total deafness. The prescription can be prepared at home and is made as follows:

Secure from your druggist 1 oz. Parmit (Double Strength), about 75 cents worth. Take this home and add to it 1-2 pint of hot water and 4 oz. of granulated sugar; stir until dissolved. Take one tablespoonful four times a day.  
Parmit is used in this way not only to reduce by tonic action the inflammation and swelling in the Eustachian Tubes, and thus equalize the air pressure on the drum, but to correct any excess of secretions in the middle ear, and the results it gives are nearly always quick and effective. Every person who has catarrh in any form should give this recipe a trial and free themselves, from this destructive disease.—Adv.

## A Sure Way To End Dandruff

There is one sure way that has never failed to remove dandruff at once, and that is to dissolve it, then you destroy it entirely. To do this, just get about four ounces of plain, common liquid arvon from any drug store (this is all you will need), apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.  
By morning, most if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find all itching and itching of the scalp will stop instantly, and your hair will be fluffy, lustrous, glossy, silky, and soft, and look and feel a hundred times better.—Adv.

## Don't Let a Cold Get a Good Start

The way to check a cold is to fight it from the start. Even the worst malady often is easily conquered if attacked early enough. Colds may lead to asthma, bronchial troubles, and pulmonary affections. In the treatment of these one of the first needs is to build up body resistance.  
Eckman's Alternative often has assisted in such upbuilding. As a treatment for the troubles named, it has been used for more than twenty years. And in many instances it has effected lasting relief. As with any other medicine, it should be regarded only as a first aid to right care and hygienic living—and a safe one. For it contains no narcotics, opiates or habit-forming drugs of any sort.

## Experts Say He is Coming Champ

BENNY LEONARD.

NEW YORK, April 19.—In the history of pugilism, New York city has never produced a champion, but this jinx is about to be broken, say the experts, by Benny Leonard, the local lightweight, who has been climbing the rungs of the ladder to ward the title in uncanny style. Leonard is one of the hardest hitting and shiftest boxers seen in the ring for many years. He has a string of knockout victories to his credit and recently boxed Freddie Welsh to a ten round draw here. Some of the best connoisseurs claimed that Leonard shaded the titleholder.
